Locations

The Seychelles is where Dream Yacht Charter began and for good reason, as this is one of the most beautiful destinations on the planet. Of the 115 islands that make up the Seychelles archipelago, the 41 Inner Islands constitute the oldest granite islands on earth, while the 74 low-lying reef islands radiate tropical paradise. While on your Seychelles yacht charter, discover the famous double coconuts, coco de mer, in Vallée de Mai and the Aldabra giant tortoises at Curieuse, a protected island. See the most photographed Seychelles

scenery at St. Pierre islet or visit the scented vanilla plantations at Union Estate on La Digue, one of the most beautiful islands in the region. Go diving at Silhouette Island or sail to Coco Island and snorkel its arborescent corals. Enjoy bird watching at Aride Island, and the turtles at Cousin Island. There are also the larger islands of Mahé and Praslin to get to know. You'll find stunning landscapes, relaxed island hopping and plenty of chances for swimming the reefs.
