Heads: 2

Helipad: No

Jacuzzi: No

AC: At Dock

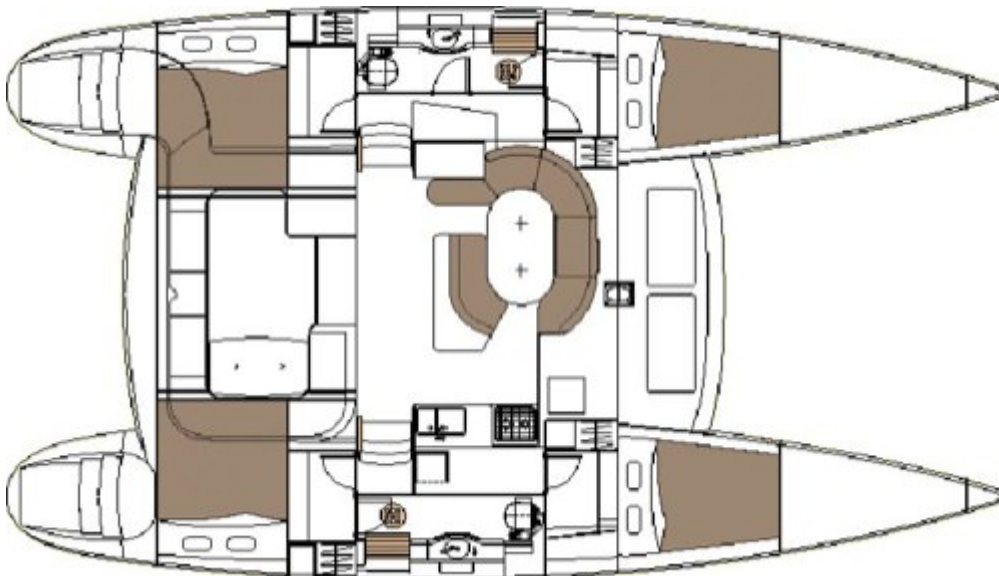

Beam: 24Ft

Draft: 3Ft

Refit: 2010

Showers: 2

Engines/Generators: Our main engines are 2 Yanmars mostly used for docking and mooring the vessel. The real heart of Mimbaw are the 8 Solar Panels which provide an eco friendly experience that still powers the electrical system for our many conveniences including 2 private fans in each stateroom, ice maker and internet connection available on the move. Our hull is even painted with eco friendly nonshaffing bottom paint that does not poison our beloved Caribbean reefs. Join Mimbaw for the true eco experience while enjoying the peaceful sounds of nature without the sound of a generator.

WATER TOYS

Dinghy HP: 25 hp
