Special Conditions

1. No smoking permitted in the interior of the yacht.
2. Parties acknowledge that this is a contract and may be transmitted between them by facsimile machine and email and the parties intend that a faxed or emailed contract containing either the original and/or copies of party's signature shall constitute a binding contract. This, however, does not exclude the subsequent exchange of original contracts.
3. No pets allowed.
4. Children 12 and under are only permitted with prior approval. Children are to be under the direct supervision of an adult from the charter party at all times
5. Any outstanding accounts to be settled with the captain on board prior to disembarkation
6. Crew gratuity of 15-20% is customary and at Charterer's discretion. This gratuity should be given to the Captain of the vessel at the end of the charter, payable in cash or check from a US Bank.
7. Cabins and heads are accessed by steep stairs, so charters including guests with mobility issues require prior discussion and agreement by the captain before booking, to ensure the yacht can accommodate their needs.
8. It is the responsibility of the Charterer to ensure that he and his guests meet all passport, visa and Covid travel requirements to and from the port of embarkation/disembarkation and for the countries to be visited during the charter.
9. Charterer acknowledges that participation in motorized water sports activities is an inherently dangerous activity that involves risks of death and/or serious bodily injury that cannot be prevented or avoided even by the exercise of reasonable care. Charterer is voluntarily relinquishing the ability to seek or collect damages from the yacht, yacht owner, or any associated parties, due to any personal injury, claim, or incident occurring or in any way related to or arising from the inherent risks of charterer's (or guests) involvement in these motorized water sports activities.
10. All itineraries are suggested and subject to weather and sea conditions with approval from the Captain at the time of the charter
